

COMMUNICATIONS INTERNATIONAL

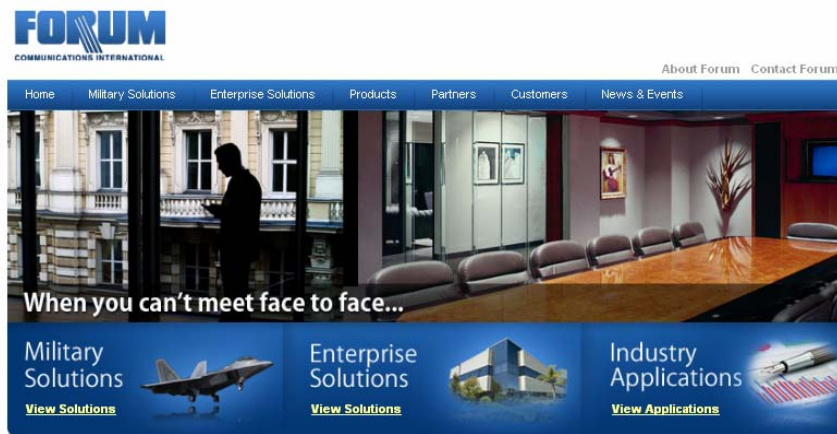

*World Leader In Conferencing & Collaboration Solutions*

**May 1, 2009**

**For Immediate Release**

## **Forum Communications Launches New Website !**

**Richardson, Texas - May 1, 2009 -** Forum Communications today announced the launch of its new and expanded website. The site highlights the broad product solutions provided by Forum for audio conferencing and collaboration products and emergency response solutions. The site provides a rich web resource for existing and prospective customers, and provides focused solutions for its key industrial, military and commercial market segments.

"Our new website provides a great tool for our existing customers, business partners, and future accounts" said Noel H. Schnell, Forum vice president, Sales & Marketing. "It reflects the great support and attention to detail that have been the hallmarks of our success for almost two decades of serving our customers."
