UNIVERGE[®] Solutions Partner Program Certification Announcement

Forum Communications Consortium II[™] is Certified

The Consortium II is a powerful conferencing server that can support multiple conference types including Meet Me, Recurring calls or Quick Conferences. The system includes flexibility to control and administer the conferences with a user friendly interface. Superb conference quality, as if the participants are in the same room meeting face-to-face. Integrated Outlook streamlines scheduling for all participants. The Consortium II showcases a mixture of high tech, advanced features with redesigned hardware and software. The user has easy one touch access and can download recorded conferences in MP3 format. Forum's Consortium II advanced feature set is enabling the systems to be easily managed and used.

The Consortium II is certified for only the TDM interface to the PBX.

NEC UNIVERGE[®] NEAX[®] PBX's Tested

UNIVERGE NEAX 2000 IPS
- N1 03.00.00

- PN-8DLCP
- PN-8IPLA
- PN-24PRTA
- PN-24DTA-A SC2122 CC2.2
- Dterm[®] Series III (ETJ-16DD-1 and ETJ-24DS)
- Dterm Series i (DTR – 16D - 1)

UNIVERGE NEAX 2400 IPX
- R21 03.01.000

- PA-16ELBJ
- PA-32IPLB
- PA-24PRTB – SP3029 13A

Switch Setting:

NEC Unified Solutions, Inc.

Neal Jabara
Main: 972-619-8582
1223 N Glenville Dr,
Richardson, TX 75081
United States

Certification is a process within NEC's **UNIVERGE Solutions Partner Program (USPP)** in which our USPP partners can have the PBX interface of their product tested in NEC's Partner Test Lab, in order to verify compatibility with specific NEC systems. The Certification process is offered only to those USPP partners in compliance with the parameters of the **UNIVERGE Solutions Partner Program**.
